

# SPECIAL CHAPTERS IN RNA RESEARCH

VIENNA BIOCENTER CAMPUS

1<sup>st</sup> lecture day on

**Monday, 25<sup>th</sup> November 2013:**

Locations:

Morning: MFPL seminar room 1/2 (6<sup>th</sup> floor, Dr.-Bohr-Gasse 9, 1030 Wien)

Afternoon: IMBA lecture hall (entry level, Dr.-Bohr-Gasse 3, 1030 Wien)

09:00 – 10:30

- **Julius Brennecke** (IMBA, Vienna)

Pi RNA biogenesis and transposon control

10:45 – 12:15

- **Isabella Moll** (Univ. Vienna)

General and specific aspects of translational control in prokaryotes

14:00 – 15:30

- **Kazufumi Mochizuki** (IMBA, Vienna)

Small RNA-directed DNA elimination

15:45 – 17:15

- **Alex Stark** (IMP, Vienna)

Transcriptional control by genomic enhancers

Other 2 lecture days: 13<sup>th</sup> & 20<sup>th</sup> January 2014

University of Vienna & Medical University of Vienna  
| 2 ECTS credits |
