

SPECIAL CHAPTERS IN RNA RESEARCH

VIENNA BIOCENTER CAMPUS

3rd lecture day on

Monday, 20th January 2014:

location morning: MFPL, 6th floor, seminar room 1/2

location afternoon: MFPL, 3rd floor, seminar room (by main elevators)

09:00 – 10:30

- **Antoine Cléry** (ETH Zürich)

From structures to functions of splicing regulators

10:45 – 12:15

- **Luisa Cochella** (IMP, Vienna)

Spatio-temporal specificity of miRNA biogenesis during development

14:00 – 15:30

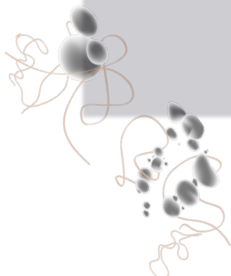

- **Alwin Köhler** (Medial Univ. Vienna)

Transcription coupled RNA export

15:45 – 17:15

- **Stefan Ameres** (IMBA, Vienna)

Mechanism and Biology of RNA Silencing

University of Vienna & Medical University of Vienna
| 2 ECTS credits |
