

RNAbiology

Editor-in-Chief

Renée Schroeder
MFPL, University of Vienna
Vienna, Austria

Assistant Editor-in-Chief

Paul P. Gardner
University of Canterbury
Christchurch, NZ

Volume 11 • Issue 3 • March 2014

Associate Editors

Paul Agris
State University of New York
Albany

Andrea Barta
Medical University of Vienna

Ben Berkhout
University of Amsterdam

Javier Caceres
MRC Human Genetics Unit,
Western General Hospital

Sven Diederichs
German Cancer Research Center

Eric G. Moss
University of Medicine
and Dentistry of New Jersey

Beatrix Suess
Institute for
Molecular Biosciences

Jörg Vogel
University of Würzburg

Editorial Board

Karen Adelman
NIH/NIEHS

Victor Ambros
University of Massachusetts
Amherst

Benjamin Blencowe
University of Toronto

Ronald R. Breaker
Yale University

Juergen Brosius
University of Münster

Donald H. Burke
University of Missouri School of
Medicine

Maria Carmo-Fonseca
University of Lisbon

Xuemei Chen
University of California
Riverside

Sergey V. Chtenbergl
Université de Montréal

Brian F.C. Clarke
University of Aarhus

Lesley Collins
Allan Wilson Centre for
Molecular Ecology and
Evolution Tuitea Campus

Bryan R. Cullen
Duke University Medical Center

Kelvin J. A. Davies
University of Southern California—
Los Angeles

Orna Elroy-Stein
Tel Aviv University

Witold Filipowicz
Friedrich Miescher Institute for
Biomedical Research

Ricardo Flores
Universidad Politecnica de Valen-
cia CSIC

Daniel Gautheret
Université Paris-Sud

Elizabeth R. Gavis
Princeton University

Kenn Gerdes
University of Southern Denmark

M. Christine Hollander
National Cancer Institute

Alexander Hüttenhofer
Universität Innsbruck

Michael F. Jantsch
University of Vienna

Jack D. Keene
Duke University
Medical School

Tamas Kiss
Laboratoire de Biologie Molé-
culaire Eucaryote du CNRS

Dagmar Klostermeier
Universität Basel

Maria M. Konarska
The Rockefeller University

Mitzi Kuroda
HHMI/Harvard

Subhash C. Lakhotia
Banaras Hindu University

Lynne E. Maquat
University of Rochester

Manja Marz
Philipps-Universität Marburg

Marjori A. Matzke
Austrian Academy of Sciences

Karin Musier-Forsyth
The Ohio State University

Susumu Nishimura
Banyu Tsukuba Research Institute

Vinayaka R. Prasad
Albert Einstein College of Medicine

Alexander Rich
Massachusetts Institute
of Technology

Elena Rivas
HHMI Janelia Farm

Pascale Romby
Institut de Biologie Moléculaire
et Cellulaire

Dieter Soll
Yale University

Sunnie Thompson
The University of Alabama at
Birmingham

David Tollervey
University of Edinburgh

Jean-Jacques Toulme
Université Victor Segalen

Xiujie J. Wang
Institute of Genetics
and Developmental Biology

Anton Wutz
IMP—Research Institute of Molecu-
lar Pathology

Michael Yarus
University of Colorado

Shigeyuki Yokoyama
University of Tokyo

Special Issue: Carl Woese

Guest Editor:
Robin Gutell
University of Texas; Austin, TX USA
